The mission of the **Concerned Moravians** is to follow Christ as our Chief Elder, restore unity with the world-wide Moravian Church, return the Southern Province to full compliance with the Church Order of the *Unitas Fratrum*, **uphold scripture** as the sole standard of our doctrine and faith, and to love and serve all for whom Christ gave His life. **www.concernedmoravians.org**

Recently we were given some questions to ponder. We feel that they are questions that all Christians need to address.

- Is there any such thing as sin? If so, what is it? Is there *anything* "wrong"? What? Why?
- How is Jesus' significance manifested in our behavior within **His** church? Do we want to try to obey Him, or are we trying to ignore Him and "cherry-pick" His words in order to tailor them to suit our own desires?
- What is the basis for claiming that God approves of marriage that is of anything except between one man and one woman?
- Does God force or coerce any of us to choose lifestyles that are contrary to His word? Can we find *anywhere* in scripture that God makes accommodating our sex drive a priority? Or does He instead warn us to restrain them, curb our lust, and live holy lives for His glory?
- Are we claiming to know more about what is right and what is wrong than God does? Do we claim to have authority and power to overrule God? Which is more important to us, God's will for us or our will for ourselves?
- Does God's *true* will really matter *anymore*? Do we really care what He thinks about *anything*? Will He claim us as truly belonging to Him when the smoke clears? Is "our" church still **His** church? Have we fallen so far that we are now worshipping a fluffy, false Jesus instead of the real one who warned us of eternal consequences for disobeying Him?

It's time we start truthfully answering these kinds of questions and acting faithfully in accordance with the answers we find (or already know) through Scripture . The church needs to move back toward the real God instead of away from Him. **He is sovereign.**

With love in Christ and prayers for His worldwide church,
